Please note that we can also offer you accommodation under de **Rent Supplement Program (PSL)** on the private market.

In addition, if there are any changes in your situation, it is **your responsibility** to modify your choice of sector/ municipality form, before a housing offer is made. I declare that I have understood and undertake to modify my choice of sector/ municipality form as soon as there is a change:

The **refusal** of a housing offer that is in the sector corresponding to the choices made will result in the **removal** of the application for a **one year** period. After the one year period, the applicant must reapply. Removals result in the **loss of seniority** of the applicant.

If a smoke-free housing is available, I would be interested:
