

CHOICE OF SECTORS

Please indicate your preference for a sector of residence. You can choose more than one sector that corresponds to your family's need. **When you select a sector, you accept all the projects indicated in that sector (you cannot choose the address).**

If you do not return your completed choice of sectors within seven days, all sectors will be considered as your selection.

Note: If you have previously selected sectors and wish to keep them, you must check them again on the new form.

We could also offer you accommodation under de **Rent Supplement Program (PSL)** on the private market.

In addition, if there are any changes in your situation, it is **your responsibility** to modify your choice of sector/ municipality form, before a housing offer is made. I declare that I have understood and undertake to modify my choice of sector/ municipality form as soon as there is a change:

The **refusal** of a housing offer that is in the sector corresponding to the choices made will result in the **removal** of the application for a **one year** period. After the one year period, the applicant must reapply. Removals result in the **loss of seniority** of the applicant.

If a smoke-free housing is available, I would be interested:
