BFL CANADA Tenant Program

The BFL Tenant Program is a 100% online solution designed to provide tenants with a quick and easy way to obtain insurance. The process requires minimal information—no claims history, past insurance details, or credit checks are needed. After payment, the BFL Platform will immediately email the necessary documents. The landlord or property manager will receive a notification confirming the tenant's insurance. If the policy lapses or is cancelled, they will be informed of any changes.
